

Light Commercial

T-Bar Diffusers

Choose from a 2-cone or 3-cone design for 360° of air deflection.

Heavy Gauge Steel

The resilient quality and commercial grade strength of this material ensures outstanding product performance.

Hand Inspected

Each part is individually inspected for quality before it is packaged.

Engineered & Tested

Accord registers are engineered and tested to the industry's highest standards.

Ribbed Collar

The formed rib around a 2" high fixed collar makes connecting to flex duct a simple task. The fixed collar is available in sizes 6", 8", 10", 12", and 14".

Insulation

Cone diffusers may be ordered with or without insulation.

Superior Finish

Attention to details such as invisible welding spots and seams creates a strong and attractive finished product.

Dual Paint Coatings

Electro-Coating and Powder-Coating provide excellent coverage, durability, superior corrosion-resistance, and a flawless appearance.

Protective Packaging

Innovative packaging design and quality shipping materials prevent product damage.

ENGINEERED FOR A LIFETIME

Dual Paint Coatings

Electro-Coating and Powder-Coating provide excellent coverage, durability, superior corrosion-resistance, and a flawless appearance.

Heavy Gauge Steel

The resilient quality and commercial grade strength of this material ensures outstanding product performance.

Low-Profile Damper Control

Attractive space-saving switch operates easily.

No Sharp Edges

Precision stamping and hand-finishing ensures that each register will have a smooth surface.

Superior Finish

Attention to details such as invisible welding spots and seams creates a strong and attractive finished product.

Smooth Operation

Stringent assembly and quality control procedures provide outstanding operation every time.

Engineered & Tested

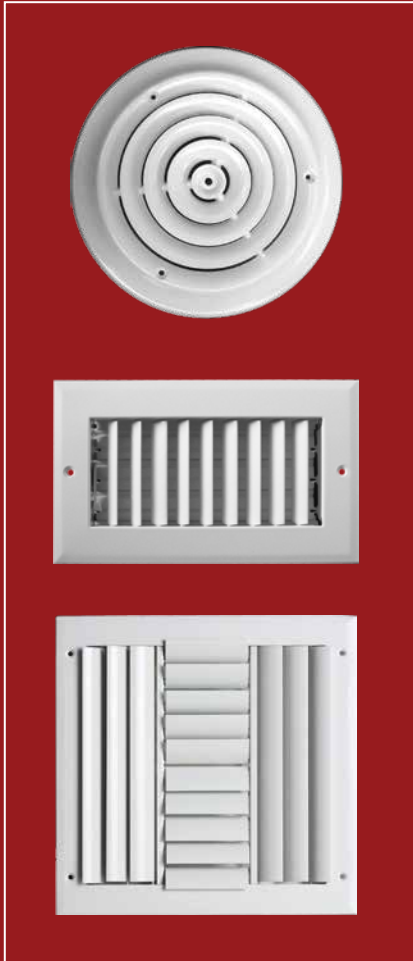

Accord registers are engineered and tested to the industry's highest standards.

Hand Inspected

Each part is individually inspected for quality before it is packaged.

Protective Packaging

Quality shrink wrapping with cardboard backing prevents damage in shipping and on the shelf.
