Top Reasons It Takes Bryant®

PASSIONATE SERVICE

Bryant® dealers do more than just deliver quality products like our Legacy™ Line air conditioners. They also deliver knowledge, experience and Whatever It Takes® to get each job done right, the first time. You and your system will receive the attention to detail and professional service delivered only by Bryant dealers.

EXCEEDING EXPECTATIONS

With more than 100 years of experience, Bryant offers a full lineup of products designed with whole-home comfort in mind, including our value-packed Legacy Line air conditioners. Through innovative design and rigorous testing, our products are built to exceed expectations, backed by Bryant warranty protection.

NEW CONVENIENCES

With a diverse line of products to address almost any need, from hot or cold spots, to improving indoor air quality and programmable thermostats with Wi-Fi® capabilities, convenient comfort can be yours when you choose Bryant.

CUSTOMIZED COMFORT SOLUTIONS

Heating and cooling solutions are not one size fits all. Our dealers provide solutions based on your specific needs. From financing and rebates to reliable products professionally installed, Bryant provides options that help keep you and your wallet comfortable.

EFFICIENCY & SAVINGS

High-efficiency comfort systems can reduce your energy consumption and carbon footprint. By reducing monthly utility bills over the life of your system, you'll see how efficient equipment pays off.

Customized Comfort On Three Different Levels

There is a Bryant air conditioner for almost any comfort need or budget. Your Bryant dealer can help you decide which is right for you. For a comfortable balance between budget and performance, choose one of our Legacy™ Line air conditioner models.

	EVOLUTION SYSTEM	<i>Preferred</i> SERIES	LEGACY LINE
Energy Management	<p>Multi-Stage Operation Our highest efficiency models make subtle adjustments as conditions change to deliver comfort with much higher precision than standard or two-stage models</p> <p>Two-Stage Operation Nearly continuous low-stage operation reduces energy consumption. High-stage operation maintains your comfort as conditions mandate</p>	<p>Two-Stage Operation Nearly continuous low-stage operation reduces energy consumption. High-stage operation maintains your comfort as conditions mandate</p> <p>Single-Stage Operation Solid, dependable performance that delivers money-saving efficiency</p>	<p>Single-Stage Operation Solid, dependable performance that delivers money-saving efficiency</p>
Humidity Management	<p>Multi-Stage Operation This system senses incremental changes in humidity, then uses inverter-controlled precision to provide superior humidity management</p> <p>Perfect Humidity® technology This proprietary feature leverages multi-speed systems to maximize humidity removal without over-cooling</p>	<p>Perfect Humidity® technology This proprietary feature leverages two-stage systems to maximize humidity removal without over-cooling</p>	<p>Basic Humidity Management Provides basic humidity removal during cooling operation</p>
Comfort Management	<p>Evolution® Connex™ Control Our most capable and complete comfort control with full-color touch-screen and available wireless access to temperature, humidity, ventilation and more</p> <p>Multi-Stage Operation Enjoy consistent temperature, reduced hot/cold spots, and superior humidity management. Multi-stage systems more closely match current conditions and adjust as needed to maintain comfort</p>	<p>Housewise™ Wi-Fi® Thermostat This deluxe comfort control looks great and performs even better. Wireless operation, touch-screen, energy use tracking and usage reports</p> <p>Two-Stage Operation Reduced up-and-down temperature swings compared to single-stage systems due to longer, low-stage comfort cycles</p>	<p>Bryant® Wi-Fi® Thermostat Our more basic model with remote access, full programming and energy use monitoring</p> <p>Single-Stage Operation Solid, reliable performance that delivers comfort when you need it</p>
Sound Management	<p>Multi-Stage Operation Provides ultra-quiet operation as low as 56 dB on lower comfort stages</p> <p>AeroQuiet System II™ Reduces sound through a combination of components that optimizes airflow and minimizes vibration</p>	<p>Two-Stage Operation Delivers low-sound comfort nearly continuously during low-stage operation</p>	<p>Single-Stage Operation Smooth-running scroll compressor helps deliver quiet comfort</p>

Warranty

To the original owner, Bryant® Legacy™ Line air conditioners are covered by a 10-year parts limited warranty upon timely registration of your new equipment.* Ask your Bryant dealer about optional extended warranties, which may include labor.

*The limited warranty period is 5 years on parts if not registered within 90 days. Jurisdictions where warranty benefits are not conditioned on registration will automatically receive a 10-year parts limited warranty and a lifetime parts limited warranty on the heat exchangers. See warranty certificate at bryant.com for complete details and restrictions.

For more than a century, homeowners have associated Bryant® heating and cooling products with the highest standards of indoor comfort and Bryant dealers as service leaders. Through commitment and dedication of our product development and manufacturing teams, we have consistently met every new challenge head-on and delivered the products to meet or exceed expectations. Our national network of passionate Bryant dealers is at the forefront of our success. Knowledgeable in the field, and equipped to address your home comfort needs, our dealers deliver customized comfort solutions to you and your family by doing...
